The route colors on the map match the colors on the route pages.

An index at the bottom of the map will help you find the page for more information about any route.

## find your stop & time

The stop letters such as **A** show points on the map that have corresponding times in the schedules. Your bus stop may be between these points.

## reading a schedule

- Find the proper schedule for the day of week and direction of travel.
- Find the locations nearest your starting point and destination.
- Read down the columns to see times the buses serve those locations.
